

Be a Rockinghorse Star this Christmas

Spending time in hospital over Christmas isn't fun for anyone, but it's even worse for children - not knowing if Father Christmas will visit or being able to enjoy Christmas at home, not to mention being scared and worried about what the treatment will involve.

How you can help

One of the ways you can support children in hospital during the festive period is help us take Christmas to them.

This means delivering advent calendars and gifts to children in hospital, organising a visit from Father Christmas and providing a Christmas dinner to help them feel more at home during their stay over the festive period.

But we can't do this without your help!

Make Christmas happen

We want to light up the Royal Alexandra Children's Hospital again with a spectacular starry sky projection to show the children that we are thinking of them this Christmas.

To help us do this, could you sponsor a star to be included in this magical display?

Your support will mean children get the Christmas they deserve, despite being in hospital at a time when they should be at home with their families.

What Rockinghorse Stars receive

If you are able to sponsor a star in our spectacular display, you will be:

- Invited to our VIP Stars Launch event at the Children's Hospital
- Featured on our online campaign page
- Named in our social media campaign before, during and after the campaign
- Included in media surrounding the event and projection
- Sent a shareable thank you graphic and letter recognising your support
- Promoted within Sussex Business Times to their audience of over 250,000 per month
